

MONS

CULTURAL POPULARIZER
DJ & VIDEO PERFORMER

Maurizio Montoneri (Mons)

Professional Graphic Designer, Performer, DJ, and Cultural Innovator

Born: February 5, 1970 | Genoa, Italy | Resides in: Rome, Italy

Personal Summary

Maurizio Montoneri, also known as Mons, combines his classical education and passion for humanistic culture with over 25 years of professional experience as a graphic designer and creative innovator. Specializing in corporate image design, Mons has collaborated with prestigious clients such as the Doria Pamphilj and Borromeo families, the Premier League, Serie A football teams, and institutions like the Besso Foundation and Julian Lennon's White Feather Foundation.

As a DJ and performer since the 1990s, Mons has consistently explored the intersection of music, art, and culture, crafting unique live performances that merge theatricality, electronic music, and intellectual themes. His projects reflect his dedication to cultural transmission through innovative artistic expressions.

Professional Experience

Graphic Designer & Corporate Image Specialist

- Over 25 years of experience in developing and managing corporate branding.
- Notable clients include:
- Doria Pamphilj and Borromeo families
- Premier League and Serie A football teams
- Besso Foundation, Rome
- Julian Lennon's White Feather Foundation

Musician, DJ, and Performer

- Mix-Delirium Project (2014–2020): Originating from a radio broadcast on Radio Kaos Italy, this live performance series blended electronic music, theatrical elements, and literary themes.
- Collaborated with actor Mark Thompson Ashworth for performances mixing experimental techno, minimal tech, and classical music.
- Delivered performances in venues across Italy and Greece, including amphitheaters and university halls, promoting a fusion of music, culture, and theater.
- Soundtrack Composer (2018–present): Created soundtracks for documentaries and interviews for Swiss National Television (RSI).
- Cultural Event Organizer (2018–present):
- Collaborated with journalist Sonja Riva on cultural events at the Hermann Hesse Museum in Montagnola, Lugano.
- Integrated electronic music with literature and the arts.
- Julian Lennon Collaborations (2020–present):
- Developed "The Merry Go Round Episodes," live performances featuring Lennon's acting talents.

- Contributed to video and graphic productions for Lennon's visual art exhibitions, including the Venice Biennale (2024).
- Creator and conductor of the new radio serie of MIX DELIRIUM (Underpark Radio) with Mark Thompson Ashworth (2025).

Art Gallery Founder

- Mons Art Stage (2020–present): Established an art gallery in Rome to promote young artists in a Wagnerian setting where various art forms converge.

Notable Collaborations & Projects

- Collaborated with renowned artists and institutions, including:
- Ferdinando Scianna, Selene De Condat, Milo Manara, and Paolo Bacilieri
- The Swiss Institute of Culture and Carthusia Publishing
- Festival del Design, Treviso, and Follow Your Art Gallery, Kythera Island
